

National Capital District

April 2, 2017

Dear Friends,

On behalf of Marconi Centre and the National Congress of Italian -Canadians (National Capital District), I would like to take this opportunity to express our most sincere thanks for your recent participation in the March 24th "Carnevale Dei Gusti Italiani". With a very impressive turnout of guests in attendance who came out to support this evening, your food and beverage offerings were so very well received in both aspects of quality and quantity. It was so nice to welcome back many of our friends and suppliers from past events and to be able to introduce some new vendors to those who purchased tickets to this very important fundraiser.

We look forward to future collaborative ventures down the road and to any feedback that you would like to share with us.

Once again, our most sincere gratitude in making the evening of March 24th most memorable.

Yours sincerely,

Trina Costantini-Powell-National Congress of Italian -Canadians (National Capital District)
